Join your neighbors to care for the environment

Adopting a drain is simple:

Sign up online. Individuals, community organizations, and businesses can sign up to adopt a storm drain at cityofsancarlos.org/adoptadrain.

Keep your storm drain clear. Use simple tools like grabbers or a rake, gloves, and a bucket to remove leaves and debris off the drain surface. Supplies provided by the City upon request.

Track your impact. Enter the estimated total of debris you collect into your online account so we can track results.

Thanks to the volunteers who have adopted drains, the program now has:

128 Storm drains adopted

159 Cleanings logged

905 Pounds of debris removed
