# The Connection

*Keeping us connected to the communities we serve*

## Give a Thoughtful Gift This Season

During the holidays we generate more food waste, shopping bags, packaging, wrapping paper and ribbons than we do any other time of the year. Sometimes the more thoughtful gifts are the least wasteful.

The following is a short list of personal gifts that don't add to our landfills:

- Bake cookies or bread.
- Make jam or salsa.
- Create a scrapbook.
- Knit (or sew) a sweater, scarf or blanket.

## Compressed Natural Gas (CNG) Vehicles Coming to your Neighborhood

We have already begun to transition our fleet from diesel to CNG and will continue over the next few years.

The benefits of CNG vehicles:

- CNG emits 25% less greenhouse gasses
- CNG costs less per gallon
- CNG produces 20% less air pollutants
- CNG is produced domestically

*Eddie Parraz, Organics Driver, Recology Employee Owner for 17 years*

## RECYCLING SCHEDULE

**Did you forget which week your recycling is collected?** There is now a more convenient way to check your schedule by going online to **RecologySouthValley.com**, type in your address and bingo! - you will find your schedule. You can also download a free app to your mobile device or call Recology for the calendar at **408-842-3358**.

# REMINDERS: WHAT IS RECYCLABLE AND COMPOSTABLE

We want to remind you what is acceptable in your brown recycle and green compost cart. For a more detailed explanation of our recycling program, go to [recologysouthvalley.com](http://recologysouthvalley.com) or call 408-842-3358.

**REMEMBER:** No rock or dirt, palm leaves or palm bark or yucca (with palm leaves), poison oak or other garbage in the organics cart.

## INCORRECT

## CHRISTMAS TREE RECYCLING

Before setting your tree out on your curb for recycling pick-up:

- Trees **must** be cut into three-feet by three-feet sections
- Remove all lights, decorations and tinsel
- Remove tree stand
- Flocked trees are acceptable

## CORRECT - cut in 3 foot sections
