Decrease your garbage service level by enhancing recycling programs to save money!

Assembly Bill 341

RECYCLING - It's the Law!

California Assembly Bill (AB) 341 requires multi-family dwellings with five (5) or more units to have recycling services. **This law became effective July 1, 2012.**

Multi-family dwellings include, but are not limited to, apartments, condominiums and town homes.

The purpose of the new law is to:

- ◆ Reduce materials sent to landfills
- ◆ Reduce greenhouse gas emissions

To learn more about AB 341 visit www.calrecycle.ca.gov

We can help you to be in compliance with AB 341!
