## TECHNICAL ASSISTANCE

Have you gone through your garbage lately?

Few businesses do. Call us to schedule an appointment with one of our friendly Employee Owners who can provide on-site technical assistance to help divert more materials from your waste. We will answer any questions you have about hard to recycle items such as ink jet cartridges and packing materials, as well as reuse opportunities for a variety of items such as office supplies, furniture and equipment.

# COMMERCIAL SERVICES GUIDE

2720 S. 5th Avenue, Oroville, CA 95965

# COMMERCIAL CONTAINERS

Commercial containers come in a variety of sizes to suite your recycle, green waste, food scrap, and residual service needs.

## CARTS

Available in three different sizes:

- 32 gallons
- 64 gallons
- 96 gallons

## 300 GALLON TUBS

Great for residential neighborhoods or anywhere space is an issue. They can hold the equivalent of 1.5 yards.

## BINS

Available in a variety of sizes. The most common sized bins are listed below:

- 1 cubic yard
- 1.5 cubic yards
- 2 cubic yards
- 3 cubic yards
- 4 cubic yards
- 6 cubic yards

## DEBRIS BOXES

Range in size from 3 to 40 yards and are available for construction and demolition debris.

## CARDBOARD RECYCLING BINS

Available to our current customers in a variety of sizes. Having a separate cardboard bin can be very cost effective while helping keep recyclables out of the landfill.

# AB 341 RECYCLING

With the passage of **California Assembly Bill 341**, effective July 1, 2012, commercial business and public entities that generate 4 cubic yards or more of solid waste per week and multi-family complexes with 5 units or more are subject to mandatory recycling, and are required to do one of the following:

- source separate recyclable materials from the solid waste they are discarding, and either self-haul or arrange for separate collection of the recyclables
- subscribe to a service that includes mixed waste processing that yields diversion results comparable to source separation
