PUT THESE MATERIALS IN YOUR BLACK LANDFILL BIN

These items go in your black landfill bin because there are currently no recycling options in San Francisco:

- Empty toothpaste tubes
- Broken ceramic dishware and glassware
- Diapers
- Feminine products
- Composite items made of multiple materials
- Glass (other than bottles and jars)
- Kitty litter and animal feces (bagged)
- Light bulbs: incandescent only, no mercury-containing bulbs, i.e., fluorescent or HID
- Plastic items mixed with metal, fabric, or rubber
- Plastic labeled "biodegradable" because it cannot be composted or recycled
- Plywood, pressboard, and painted, stained, or treated wood
- Rubber or latex gloves or rubber bands
- Styrofoam meat trays or other dirty Styrofoam

These items may be put in your black landfill bin, but you can find recycling options for them:

- Hangers: take back to a garment cleaner for reuse
- Styrofoam: take packing peanuts to local shipping store for reuse; drop off blocks at SF Transfer Station.

PLEASE DO NOT PUT THESE MATERIALS IN YOUR BLACK LANDFILL BIN!

It is against city ordinance or state law to place these materials in the landfill.

- Food scraps, food-soiled paper or waxy paper, waxy cardboard, plants, or plastic labeled "compostable" — Green Composting Bin
- Clean paper/cardboard, glass bottles and jars, metal, hard plastic, bagged fabric, bagged plastic bags — Blue Recycling Bin

Find recycling options for these toxic or bulky items at [SFRecycles.org](https://www.sfreycles.org) or call 415.330.1300:

- Appliances
- Asbestos
- Construction debris: [SFEnvironment.org/c&d](https://www.sfenvironment.org/c&d)
- Electronics
- Household batteries: put them in a clear, sealable plastic bag and put it on top of your black bin.
- Household hazardous waste or chemicals
- Large items: contact [BulkingItemRecycling.com](https://www.bulkingitemrecycling.com)
- Light bulbs containing mercury (Fluorescent/HID)
- Motor oil
- Needles or syringes
- Paint
- Toys with electronics or batteries
