Call Recology CleanScapes today for all your construction project recycling needs:

(206) 250-7500

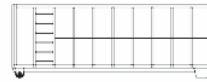

Recology CleanScapes offers:

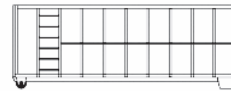

- ▶ **Tailored programs.** Recology CleanScapes handles construction and demolition jobs for both commercial and residential sites. No job too big or small.
- ▶ **FREE job site consultation and advice on how to reduce waste on-site.**
- ▶ **LEED Project?** We can work with you to track waste diversion with monthly reports.
- ▶ **Attentive customer service.** Recology CleanScapes' helpful staff will answer the phone when you call. No voicemail trees or lengthy hold time.
- ▶ **Spot-on service.** Our service schedule is tailored to fit your needs with a quick turnaround time. Our operation runs 24 hours, 7 days a week.
- ▶ **Friendly, professional drivers.** Recology CleanScapes prides itself on a winning combination of customer-focused service members with high safety standards.
- ▶ **New fleet of well-maintained, quiet, clean-running roll-off trucks providing service to your location.**
- ▶ **Multiple size drop boxes.** We can provide various size containers for specific materials or project needs.
