Warrenton

RECOLOGY OFFERS...

COLLECTION SERVICES

Recology provides residential curbside collection of recyclable materials through a contract with the City of Warrenton. If you have questions about your trash collection service, please contact the City at 503-861-2233. For questions about your recycling service, call Recology at 503-861-0578.

COLLECTION

SET OUT TIME

For curbside service, set out your cart by 7am on your collection day (or the night before). Your actual service time may vary from week to week.

WEIGHT LIMITS

90-gallon cart 150 lbs

CURBSIDE PLACEMENT

Please place your carts within 4ft of the curb or road's edge and 4ft from other carts and obstacles, such as cars, trees, basketball hoops and mailboxes.

MISSED COLLECTION

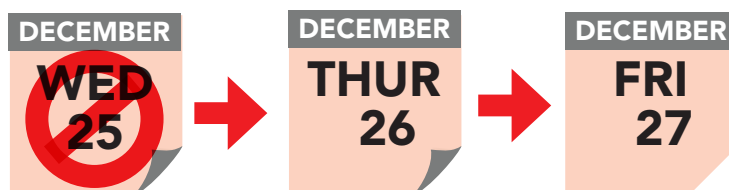

If we missed collection of your cart, give us a call and we'll take care of it as soon as possible.

WHAT'S MY COLLECTION SCHEDULE?

The recycling service calendar can be found on page 7 of this guide.

HOLIDAY SERVICE

Recology does not collect on Thanksgiving and Christmas day. During those times, service is delayed by one day for the remainder of the week. For example, in 2019, Christmas falls on a Wednesday. Normal Wednesday customers will be collected on Thursday, Thursday customers will be collected on Friday, and so on.

CONTACT Us

Where: 2320 SE 12th Place, Warrenton, OR

When: Monday - Friday: 8am - 12pm; 1pm - 4pm

Phone: 503.861.0578

Toll Free: 866.908.1183

Email: rwoinfo@recology.com

Web: www.recology.com/recology-western-oregon

PREPARING FOR A STORM

Be prepared for all types of weather:

- Recyclables should be placed loose in your cart, but can be secured inside larger boxes or paper bags.
- Don't overload your cart. If the lid is partially open, it will blow open in strong winds.
- Do not put your cart out overnight if the forecast calls for windy and/or stormy weather. However, carts DO need to be out by 7am on collection day.

SECURE YOUR LID

Place a rock or another large object on top of the cart. **Please no bungee cords - serious injuries can occur!**

WIND LATCH

We offer a variety of solutions designed to help stop the wind from blowing open the lids of our carts. Wind-latches for recycle carts are available at no charge to Warrenton residents. Please call to arrange delivery.

BUSINESS SERVICES

Collection services are available on a limited basis, in coordination with the City of Warrenton.

SPRING CLEAN-UP

WHAT: Residents of the City of Warrenton can dispose of extra trash during this annual clean-up event.

WHEN: Held annually in the spring

WHERE: Astoria Transfer Station

ADDITIONAL DETAILS: Residents pay \$3.00 per vehicle, per trip to drop off. Additional fees apply for tires, appliances, refrigerators and freezers. No hazardous waste, medical waste, or business waste accepted. A current City of Warrenton utility bill showing billing for in-city garbage service, and Photo ID are required to participate in this event.

REDUCE, REUSE AND...

RECYCLE RIGHT

FIRST REDUCE, THEN REUSE, THEN RECYCLE

Try refusing single-use disposable items, like plastic to-go cutlery at a restaurant, plastic straws, single plastic bags, and other one-time use items. Replacing these items with durable alternatives is a small step with big impacts. Learn more about waste reduction at recology.com.

DO YOU KNOW HOW TO PROPERLY PREPARE YOUR RECYCLABLES? Follow three simple rules: **EMPTY, CLEAN AND DRY.** Empty any residual food or liquid, clean the container with a quick rinse or scrape, and allow the moisture to dry before tossing in your recycling bin.

TOP CONTAMINANTS

Know where your recyclable materials belong! Some items, like glass bottles, batteries and electronics, do not belong in your curbside bin, but can be dropped off at your local depot. Other materials, like plastic bags, are not accepted in your curbside cart, but may be accepted through a take

back program at your local grocery store. Check the recycling panel on page 6 of this guide or visit WhatBin.com for more information about what goes where.

WHY RECYCLE?

Recycling helps save natural resources, protect our environment, save landfill space and potentially lower your garbage bill.

HOME COMPOSTING

Composting your yard trimmings and kitchen scraps is a great way to help your plants and reduce the amount of waste you generate. Looking to start your own home composting system? Follow these simple steps:

- Build or buy a compost bin, or just make a pile.
- Mix two parts greens (grass, leaves and flowers) to one part browns (dry leaves, sticks, and twigs)
- Some kitchen scraps are acceptable (vegetable and fruit peels, eggshells, coffee grounds, etc.) Do not use meat or dairy products - these can attract rodents, flies and cause bad odors.
- Turn and water regularly; keep your pile moist (like a damp sponge), and move the material around using a pitchfork or shovel.

WHY USE COMPOST?

Compost increases water retention, decreases the need for chemical fertilizers and pesticides, and helps keep a useful resource from going to waste!

YARD DEBRIS RECYCLING

All residential recycling customers in the City of Warrenton can bring their clean yard trimmings to the Astoria Transfer Station at no charge. All non-residential yard debris is charged by the cubic yard to drop off material. All City of Warrenton customers must have a valid yard debris cling on their windshield. Clings are mailed once a year. Replacements are available from the City of Warrenton.

E-WASTE

Oregon E-Cycles is a free recycling program for computers, TVs and monitors. The program is funded by manufacturers, with oversight from Oregon DEQ. Drop off items at the Astoria Transfer Station, located at 1790 Williamsport Road. For large quantities, please call ahead to make an appointment.

Please note: TVs, computers, monitors and laptops are prohibited from the landfill. Please do not place them in the trash.

HOUSEHOLD HAZARDOUS WASTE

Cleaning products, paints, pesticides and other chemicals can be dangerous if not disposed of properly. Recology partners with Clatsop County to hold free household hazardous waste collection events. For more information, call the County at 503.325.8500 or visit their website at www.co.clatsop.or.us.

MEDICAL WASTE

Medical waste and sharps (needles, syringes, etc.) cannot be thrown out with the regular garbage. We offer safe, efficient disposal using approved containers - contact us for more information.

PAINT RECYCLING

All paint sold in Oregon includes a surcharge to fund a collection and recycling program. Visit www.paintcare.org for details. You can drop off latex and oil-based paints at one of these locations:

City Lumber Co.
2142 Commercial St.
Astoria, OR 97103
503.325.4511

Sherwin-Williams
3527 Highway 101 N
Gearhart, OR 97138
503.738.6751

Recycle

EMPTY, CLEAN & DRY!

- Place items **loose** in the **recycling** cart, not in plastic bags. Paper bags or boxes are OK.
- No items smaller than a tennis ball
- Place additional recyclables in clearly labeled sturdy bins or boxes next to the recycling cart
- Remove all food debris and liquids from recyclable materials

**EMPTY, CLEAN,
AND DRY!**

Paper & Cardboard

Flattened cardboard, Mail, magazines, mixed paper

Newspaper

Empty paper bags

Clean boxes & cartons

Plastic

Plastic bottles and tubs

Metal

Tin, aluminum and scrap metal

Garbage

Diapers

Non-recyclables

Plastic bags

Toys

Plastic utensils

Pet waste

Not sure about a certain material? Visit WhatBin.com to find out more about what goes where!

Depot

Recycling Depot

Astoria Transfer Station

1790 Williamsport Road

Monday - Saturday from 8am - 5pm

Electronics - computers, monitors, laptops and related

Glass Bottles and Jars (no glass dishware or drinking glasses)

Yard Waste - grass, leaves, branches, flowers (no dirt, sod or stumps)
