CHINESE NATIONAL SWORD INITIATIVE

Recology, Inc. has stayed true to their corporate philosophy of "A World Without Waste" and has pledged to not put any recyclable materials into landfill. The Chinese National Sword Initiative means that China is no longer allowing recyclable materials into their country. Recology is working with our vendors in the Far East and South America to find new buyers for our materials.

What can you as a consumer do to help?

Do not bring items home from the supermarket with excess packaging. Leave the plastic clamshell at the bakery and do not buy cases of water covered with extra plastic wrap. Bring your own containers for bulky purchases and a reuseable mug to coffee shops. Turn down plastic straws, extra paper napkins or the plastic ring in the middle of your takeout pizza box. Bring your empty plastic live plant containers back to the nursery and your plastic bags to the supermarket bag bin.

Please be sure to pull your carts back from the curb once they are serviced.

We are not responsible for any articles left on or near collection containers.

CONTAINERS: We will not service **ANY** carts where the lids do not close completely. Please contact our office for more information at **650-355-9000**.

Recology of the Coast began weekly pickup in January 2017. This service has increased our diversion percentage through September 2018 by 8.5%. Customers have remarked on social media that they still are putting their bins out weekly after six months of the start of the new program. It is important that during the beginning of the Christmas purchasing/rainy season that all your cardboard boxes are put into the recycling cart to keep the material as dry as possible. Christmas trees are free of charge from December 26th through January 31st. Flocked trees are acceptable. The tree must be cut in half if the tree is over six feet tall. All lights and ornamentation must be removed from the tree. Christmas wrappings can be included in the recycling cart but no Styrofoam or plastic wrap please.

EXTRA GARBAGE: Extra garbage must be bagged and arrangements made with our office in advance for pickup. **Extra Bag Tags** are available for a fee by calling **Recology of the Coast** at **650-355-9000**. You may also schedule one of your bulky item collections. See page 4 for more information.

MISSED COLLECTIONS: Please report any missed collections to our office by the following business day. We have a 24 hour messaging service so if you call after hours, please leave a detailed message and a Customer Service Representative will address your missed collection the following day, Monday – Friday.
