

## Toilet Paper Roll Art: Car

**Time: 30 minutes**

**Goal:** To encourage the use of reusable material and promote new ways to create artwork

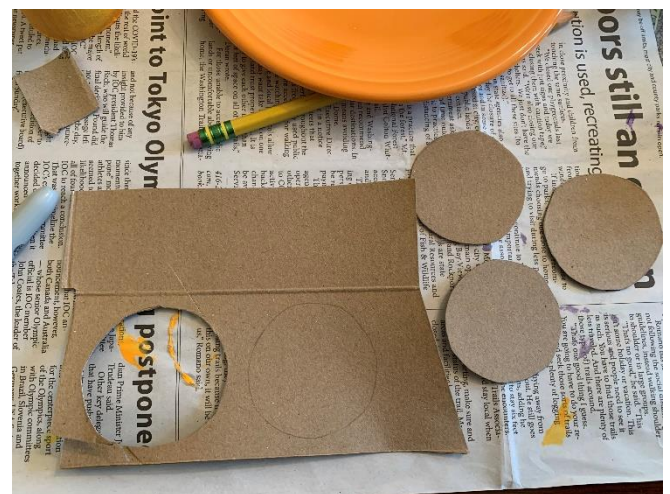

### Materials Needed:

- Toilet paper roll
- Paint
- Paint brush
- Thin cardboard or construction paper
- Scissors
- Tape or glue
- Pencil or pen

### Instructions:

1. Sketch a rectangle and 2 lines extending from the rectangle in the middle of the toilet paper roll (refer to the picture below on the left)
2. Use scissors to cut out the rectangle and cut along the 2 extending lines (be sure to not cut them all the way off)
3. Trace 4 circles on thin cardboard or construction paper and cut out

4. Paint the toilet paper roll any color and the 4 circle cut outs black
5. Cut out 4 smaller circles using construction or printer paper
6. Tape or glue the smaller circles to the larger black circles to form tires
7. Tape or glue the tires to the toilet paper roll
8. Add a number or racing stripes to finish the car off!
