

FOSTER CITY NEWS

May 2021

50TH ANNIVERSARY CELEBRATIONS CONTINUE

On April 27th, our community celebrated 50 years since Foster City's incorporation! Although our birthday has passed, we're committed to keeping the celebrations going all year long with curated events, signage, and more. Don't forget, you can also sign the virtual yearbook on our website! Here's just a bit of what you can look forward to this year:

2021 GREEN EVENTS

APPOINTMENTS REQUIRED

In response to ever-changing health regulations, this year's Green Events are available by appointment only. Appointments for E-waste Collection and Document Destruction are available now at www.fostercity.org/calendar and Household Hazardous Waste appointments are available at www.smchealth.org/hhw.

Participants will be required to show proof of residency and must already have an appointment scheduled in order to access the event.

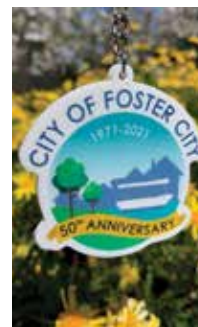

- JUNE 12** DOCUMENT DESTRUCTION (SHRED)
- JULY 24** ELECTRONIC WASTE COLLECTION
- AUG 28** HOUSEHOLD HAZARDOUS WASTE
- SEPT 18** DOCUMENT DESTRUCTION (SHRED)

You can now shop our anniversary swag, where you'll find commemorative keychains, mugs, totes, and more! 100% of proceeds go to the City of Foster City Community Benefits Fund, which supports future community programming.

-  **DRIVE-IN MOVIE NIGHTS**
-  **KITE DAY**
-  **ANNIVERSARY CONCERT SERIES**
-  **RUBBER DUCKY FUNDRAISER**

LEVEE PROJECT UPDATE

Your Measure P Investment at Work

PROGRESS UPDATE

Foster City is pleased to report significant progress on the Levee Improvements Project! The project team recently marked a significant milestone, with the installation of the final sheet pile in Phase 2 (from Shorebird Park to the San Mateo Bridge). The sheet piles will form the upgraded wall structure in this section of the levee, protecting our community for years to come.

The Baffin Street crossing to Belmont/Redwood Shores is currently projected to close in June, and a detour will route trail users along Port Royal Ave or O'Neil Slough Path, depending on which direction they are coming from.

With the project advancing ahead of the anticipated schedule, the closure of the Levee Trail from the San Mateo Bridge to Anchor Road began April 1, 2021.

The Levee Improvements Project team has been working to provide accommodations for recreational water users' access from Baywinds Park during construction. Through the end of 2021, access to the bay will remain available for recreational water users launching and returning to the park and the beach area (near Lakeside Dr.) only. There will be no shoreline access beyond the beach to the San Mateo Bridge, and no special shoreline return/exit points (except for emergencies) as this section will remain an active construction area.

STAY UPDATED & ENGAGED

The Levee Improvements Project is a big project with a big purpose! We want to make sure you receive information as it becomes available. Check out our new website, fostercitylevee.org, where you can:

- Find details for regularly-scheduled Community Update Webinars
- See informative videos and renderings
- Learn about project progress and timelines
- Read answers to Frequently Asked Questions
- Sign up for and view Construction Update emails

If you have questions about the Levee Improvements Project, email us at leveeproject@fostercity.org or call our Construction Hotline at 1-800-213-6320.
