

**NEW from City of Issaquah!**  
Learn easy ways to make a positive environmental impact in daily life.  
Join us for fun, free, virtual, interactive classes.

### **“Where Does It Go” Class**

Find out how to manage unusual items in Issaquah and which items belong recycling, composting or garbage collection at home. Learn what happens to materials after they leave our homes. This session will include a representative from Recology, City of Issaquah’s hauler. Offered two times:

- Tuesday, April 19th at 7:00-8:00PM
- or
- Friday, May 20th at 12:00-1:00PM

### **“Safer Products” Class**

Learn how to choose and make safer home products. Identify products that are considered hazardous and find out how to properly dispose of them in Issaquah. Explore online purchasing resources. Make your own safer products at home with common household items. Offered two times:

- Friday, May 6th at 12:00-1:00PM
- or
- Tuesday, May 24th at 7:00-8:00PM

**Registration is required. To register: visit <https://tinyurl.com/issaquahecospring22>**

Each class will be offered twice- an evening session and a lunch session. Registration is open until a half hour before the event starts. All registered participants will receive a Zoom link the day before the event or a half hour before the start of the event - if you register the day of.
