

# MORE SERVICES & INFO

## Compost: It's the Law

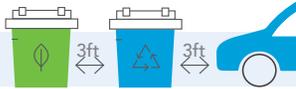

CA State Law SB 1383 requires residential and commercial composting. Learn more at [Recology.com/SB1383](https://www.recology.com/SB1383).

## WhatBin Search Tool

Not sure where an item should go? Visit [Recology.com/RSMWhatBin](https://www.recology.com/RSMWhatBin) to look it up.

## Cart Spacing

Carts must be set out three feet apart from each other as well as cars to allow enough space to be serviced.

## Proper Set out

Drivers may not be able to service carts that are overflowing or too heavy.

## Additional Services

Explore additional services such as bulky item pick-ups, hazardous waste, and more by visiting [Recology.com/Sonoma Marin](https://www.recology.com/SonomaMarin). Look for your service area under the "Location" tab.

# WELCOME!

Residential Service Guide

All of us at Recology wish to welcome you as a new customer! Our Waste Zero mission represents a fundamental shift from traditional waste management to resource recovery. We are able to conserve resources, reduce potent greenhouse gas emissions, and divert materials away from the landfill in the communities we serve.

## Recycling Service

Clean and dry metal, glass, and plastic containers as well as paper and cardboard should be placed in your recycling cart to be sorted and ultimately recycled into new products.

## Compost Service

Food scraps, uncoated paper, and plant trimmings can be placed in your compost cart. They will be turned into rich compost used by farmers to amend the soil and grow new life.
