Did you know that the Town of Hillsborough has the highest rated roadways in San Mateo County?

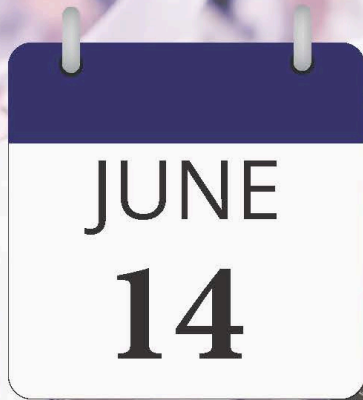

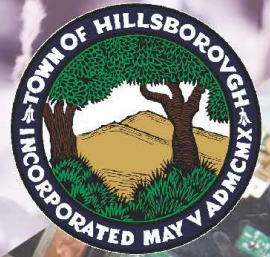

This year's Street Resurfacing Project consists of over 21 miles street resurfacing and rehabilitation. The project was awarded by City Council on April 14th to JV Lucas Paving and the work is anticipated to begin late May 2025.

During construction, there may be traffic detours and delays. If your street is being resurfaced, you will be provided additional notification with specific project details by mail.

Please check Current Town Projects on the website for the latest project updates and the current schedule: <https://www.hillsborough.net/168/Current-Town-Projects>.

The Town of Hillsborough is committed to improving our roadways. Thank you for your patience as we complete this project.
