

JULY 2026

## RESIDENTIAL TRASH COLLECTION DAY CHANGES STARTING JUNE 29

*To keep trash collection service efficient and reliable as our community continues to grow, some residential customers will have a new weekly collection day beginning the week of **June 29**.*

Due to continued growth, the number of homes receiving trash service has increased significantly. To better balance collection routes throughout the week, a limited number of residential properties will be reassigned to a different collection day.

These route adjustments will help ensure consistent service levels, improve route efficiency, and support reliable collection service for all customers.

Approximately **1,645 residential accounts** will be affected by this change. Please review the map and address list to determine whether your service day will change.

All impacted customers will receive advance notification by mail and a notice placed on their garbage cart before the new collection schedule takes effect.

If you have questions about your collection day or service schedule, please contact Recology Vacaville Solano at (707) 448-2945, or email [VacavilleDixon@recology.com](mailto:VacavilleDixon@recology.com).

# FREE COMPOST GIVEAWAY

The City of Vacaville's annual compost giveaway is here! Beginning April 1st through October 31st FREE compost is available to Vacaville residents at Recology's Jepson Prairie Organics Facility located at 6426 Hay Road in Vacaville. Residents may self-load up to four (4) cubic yards of compost per day (weather permitting and while supplies last). Bring your Recology service bill or other form of identification with a Vacaville address as proof of residency.

For questions contact Jepson Prairie Organics at (707) 678-4718.

**April 1<sup>st</sup>  
through  
October 31<sup>st</sup>  
FREE compost  
is available to  
Vacaville residents**

## RESIDENTIAL CLEANUP PROGRAM

If your summer plans include replacing furniture or a major appliance, be sure to plan for the dispose of those old, bulky items.

For large items that do not fit into your carts, like furniture, appliances, or mattresses, schedule a Residential Cleanup Program (RCP) pickup with Recology Vacaville Solano. Residential customers in Vacaville are provided with one **FREE curbside collection each year of one of the following:**

- › 2 bulky items;
- › 2 cubic yards of bagged material; or
- › 3 e-waste items

*(Additional items may be collected for a fee)*

To schedule your RCP pickup, call Recology Vacaville Solano at (707) 448-2945 at least one day before your regular collection day. Place your items at the curb next to your gray cart and write the letters "RCP" on a piece of paper and attach it to one of your items. It's that easy!
