

You Toss, We Sort.

A hand is shown dropping banana peels into a grey recycling bin. The background features a house and a clear blue sky.

Composting & Recycling Made Easy!

In Placer County, advanced technology at the Western Placer Waste Management Authority's (WPWMA) Materials Recovery Facility (MRF) sorts recyclables and compostables for you. Recovering and recycling materials preserves space in the landfill, reduces methane gas emissions, and saves resources.

From banana peels to aluminum cans - you name it, we sort it, even organic waste as small as coffee grounds!

Visit PlacerRecycles.com to learn more, and even book a tour.

Who's my hauler?

In Western Placer County, all collected garbage goes to WPWMA for recycling – but who hauls it varies:

Unincorporated Placer County	Auburn	Colfax	Loomis	Rocklin	Lincoln	Roseville
Recology (530) 885-3735	Recology (530) 885-3735	Recology (530) 885-3735	Recology (530) 885-3735	Recology (530) 885-3735	City of Lincoln (916) 434-2450	City of Roseville (916) 774-5780

You can self-haul your garbage too - to a local transfer station or to the WPWMA's Materials Recovery Facility. Visit Recology.com or WPWMA.ca.gov for pricing, hours, and free drop-off recycling opportunities - including free mattress drop-off at the WPWMA and the Auburn Transfer Station!
