Items That Don't Belong in Recology Containers

HOUSEHOLD HAZARDOUS WASTE AND ELECTRONIC DISPOSAL

It is unsafe to dispose of hazardous waste in your Recology containers. Unwanted household chemical products and electronic waste can be disposed of for free by using the Santa Clara County Household Hazardous Waste Program.

Accepted items in the county program include:

- Batteries
- Fluorescent and LED light bulbs
- Auto fluids
- Household cleaners
- Paint
- Electronics

To schedule a free appointment, call 408.299.7300 or visit hhw.org.

SAFE MEDICATION AND SHARPS DISPOSAL

Please do not place unwanted medications or sharps in your Recology containers. Store sharps in a hard sided container for safe disposal.

CVS Pharmacy will accept these items for free.

BULKY ITEM COLLECTION

Large items that do not belong in your containers include:

- Large appliances
- Furniture
- Mattresses
- Box springs

Each property has a limited amount of bulky item collections available.

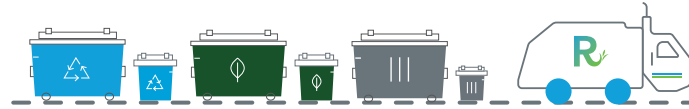

Property managers must call Customer Service at 408.842.3358 to schedule a bulky item collection.

MFD Service Guide

California's SB 1383 requires Multifamily Dwellings (MFDs) with five or more units to arrange for both recycling and organics collection services. Recology can provide tools and guidance to meet state requirements.

RECYCLE COLLECTION

Place your recyclables loose in your recycle container. Plastic bags belong in the garbage.

Lids are to remain closed at all times. Don't overfill.

To request a reusable "buddy bag", contact your property manager. Use this bag over and over again to transfer recyclables to your recycle container.

ORGANICS COLLECTION—IT'S THE LAW!

Place your food scraps, food soiled paper, and yard waste into your green organics container.

Lids are to remain closed at all times. Don't overfill.

To request a free kitchen collection container, contact your property manager.

Branches must be 6 inches or less in diameter.

Recycle

TIPS FOR RECYCLING

Place items loose in your blue recycle container. **Do not bag recyclables.**

Recyclables must be empty or scraped.

Cut and flatten cardboard to fit loosely in your recycle container. Styrofoam and other plastic packaging material must be placed in the garbage.

GLASS BOTTLES AND JARS

PLASTICS #1-#7

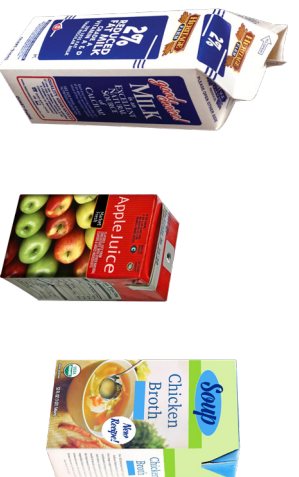

METALS

Shredded paper must be placed in clear plastic bags

CLEAN PAPER AND CARDBOARD

CARTONS AND ASEPTIC PACKAGING

UNACCEPTED ITEMS

- Food
- Plastic bags
- Clothes, toys, and bedding
- Toilet paper
- Ceramics, glassware, and mirrors
- Styrofoam
- Electronic waste
- Automotive parts
