12/28 Regular Service	12/29 Regular Service	12/30 Regular Service	12/31 Regular Service	1/1 **No Service** *New Year's Day, Office Closed*	1/2 Service for Friday Customers

Holiday tree composting

Recology collects holiday trees for composting, which reduces methane production in the landfill and makes valuable compost for local use.

1. Remove all decorations, tinsel, and tree stands. Flocked trees (sprayed with artificial snow) are ***not*** accepted.
2. Cut trees into three-foot sections.
3. Place small branches inside the cart.
4. Place your organics cart and tree sections at the curb for service.

ACCOUNT INFO VIA THE CUSTOMER PORTAL

Recology has discontinued the collection calendar on its website and the mobile app will not be updated. To view your specific collection schedule and current services, please scan the QR code to log in or register for the **Customer Account Portal**.

DID YOU *know*?

→ Residential customers who generate more recyclable and compostable materials than fit in their carts each week can **request additional blue and green carts** for weekly pickup at no extra charge.

→ **Recology provides free "wheel-out service" to eligible customers.** To be eligible for the service, a medical provider must verify in writing that you are physically unable to move a curbside collection cart and you must sign a sworn statement each year that no one lives with you who is capable of moving the containers.

→ Single-family households enrolled in PG&E's California Alternative Rates for Energy (CARE) program **may receive a 15% discount** on recycling, organics, and garbage collection.

To confirm your qualification, email, mail, or bring in a copy of your current PG&E bill showing participation in the CARE program and a signed application form. The name and address on your PG&E account must match the name and address on your Recology account. The discount is for one year and can be extended with annual verification.

THE BULKY ITEM ALTERNATIVE

If you have a large amount of discards that won't fit into your curbside containers, there are other options for disposal.

American Canyon residents can schedule one free Bulky Item Pickup each year.

Any residential unit and each unit in a multi-family property is entitled to one pickup. One pickup includes up to 2 cubic yards of trash, or about 12 32-gallon bags. One item containing Freon may also be included.

Additional pickups may be scheduled for a fee. When booking your pickup, please specify the items to be collected. If you put out additional or different items, please call back to update your pickup.

MARK YOUR CALENDAR: 2026 SHREDDING SATURDAY

Do you have big stacks of paper documents that need shredding?

Stop by American Canyon City Hall, **4381 Broadway St.**, to shred your documents between **9 AM and 12 PM on November 7**.

This free service is for American Canyon residents only. No commercial shredding.

CORRECT CART SETOUT

Place your carts at the curb no later than 5 AM on your service day.

Close lids and face cart handles toward the curb. If lids cannot close, you may incur overage charges.

Keep at least 3 feet between your carts and other objects to help ensure safe, efficient curbside collection.

Failure to set out carts correctly may result in a rejected pickup.
