Recology Vallejo

Vallejo Waste Zero Ways

2026 FALL NEWSLETTER

Annual collection service notice

MATERIALS COLLECTED

We collect recycling, organics, and garbage on your specified service day. Cart collection days depend on where you reside.

Recyclables include rigid plastics, metal, glass bottles and jars, and clean paper and cardboard. Organics include food scraps, plant trimmings, and non-coated, food soiled cardboard and paper.

Garbage is everything else, except hazardous waste or bulky items.

CART SETOUT

Place your carts at the curb no later than 5 AM on your service day.

Close lids with cart handles facing the curb. If lids cannot close, you may incur overage charges. Keep 3 feet between carts and other objects. An incorrect setout may result in a rejected pickup.

Bring carts in after collection; keep them out of public view by 10 PM on your service day.

UNACCEPTABLE MATERIALS

Hazardous materials are not allowed in any curbside cart. Drop off hazardous waste items for free at our BOPA (Battery, Oil, Paint, Antifreeze) Center. For details, visit our website.

ALTERNATE DISPOSAL OPTIONS

If you have a large amount of discards that won't fit into your curbside containers, there are other options for disposal.

➔ Each year in January, Vallejo residents receive a **Dump Coupon** that can be used for up to 1,000 pounds at the Devlin Road Transfer Station. See the coupon for additional details and scheduling processes. There are no replacements for lost or damaged coupons.

➔ Single-family residences also get up to 4 free **Bulky Item Pickups** (BIP) each calendar year. You may schedule additional pickups for a fee. Please specify the items to be collected when you schedule your BIP. If you place additional items out, please call back to update your pickup list.
